Chief, Industrial Division, ORR

FY 1956 MIS Program.

1. The MIS Program for the current research period is near completion and despite the many problems encountered, the end-product is very good.
2. Each of the participants -- the individual analysts, members of the review committees, typists, and Coordinators have done a fine job.
3. Deputy Chief, ERA has forwarded the attached Status report. Please accept my thanks along with his "Well Done" for your work.
